Dear Parents / Caregivers of Year 7/8 students

Re: Peachgrove Intermediate School 2022 Technology and Arts Specialist Programmes

A warm welcome is extended to all students attending Peachgrove Intermediate Specialist Technology and Arts classes in 2022. The subjects listed below will be offered. Students will have a one and a half hour lesson each week spending 6 weeks at six of the eight subjects. In the interests of safety, students **must** wear footwear for all subjects. The confirmed programmes for 2022 are:

1. Drama
2. Visual Art
3. Music
4. Dance
5. Food Technology
6. Hard Materials Technology
7. Digital Technology
8. Computational Thinking

The cost is \$65. This includes the cost of the products produced from Hard Materials and Digital Technology which will be based around the design brief, and students Visual Art portfolios including a clay creation. Could you please pay this to your own school.

Parents/Caregivers are always welcome to visit our classes. Your children will come to Peachgrove Intermediate School on Thursday from 9.30am to 11.00am and their first lesson will commence on 10th of February. Please contact our office if you have any questions.

Yours sincerely

Aaron West
