Dear Parents / Caregivers of Year 7/8 students

Re: Peachgrove Intermediate School 2023 Technology and Arts Specialist Programmes

A warm welcome is extended to all students attending Peachgrove Intermediate Specialist Technology and Arts classes in 2023. The subjects listed below will be offered. Students will have a one and a half hour lesson each week spending 6 weeks at six of the eight subjects. In the interests of safety, students **must** wear footwear for all subjects. The confirmed programmes for 2023 are:

1. Drama
2. Visual Art
3. Music
4. Dance
5. Food Technology
6. Hard Materials Technology
7. Digital Technology

The cost for the take home component per student is \$30.00. This covers the products produced from Hard Materials and Digital Technology which will be based around the design brief, and students Visual Art portfolios including a clay creation. This is included in your payment to your own school.

Parents/Caregivers are always welcome to visit our classes. Your children will come to Peachgrove Intermediate School on **Wednesday from 9.30am to 11.00am** and their first lesson will commence on 8th of February. Please contact our office if you have any questions.

Yours sincerely

Aaron West
